

Firewood

ALERT

Help stop the
spread of exotic pests

DON'T BRING FIREWOOD INTO NORTH DAKOTA!

Exotic insects like Emerald Ash Borer are a major threat to North Dakota's trees. Such pests are easily spread to new areas when infested firewood is brought from other states.

If you or someone you know is planning a trip to North Dakota:

- Don't bring firewood from out-of-state
- Use North Dakota sources of firewood

Emerald ash borer is spread to new areas by infested firewood.

The aftermath of the Emerald ash borer: trees killed in Michigan.

If you have
already brought
firewood into the state,
do not leave it or take it
with you – **BURN IT
IMMEDIATELY!**
