

**HEMP PROGRAM FINAL REPORT**  
 NORTH DAKOTA DEPARTMENT OF AGRICULTURE  
 PLANT INDUSTRIES  
 SFN 61980 (1-2022)

Email or send form to:  
 North Dakota Department of Agriculture  
 Attn: Hemp Program  
 600 E Boulevard Ave, Dept 602  
 Bismarck, ND 58505-0020  
[jmortenson@nd.gov](mailto:jmortenson@nd.gov)  
 Phone: 701-328-4128

**Failure to return report by December 1st can cause future ineligibility for hemp licensure.**

Name of Licensed Grower	License Number
Field Name	

**COMPLETE A SEPARATE REPORT FOR EACH FIELD OR VARIETY**

Location of Production Field (GPS Location, Legal Description, or Address)
--

**SECTION 1: PLANTING INFORMATION**

Date(s) of Planting	Total Acreage or Square Footage Planted
Hemp Seed Variety Used	Price Paid per Unit <input type="checkbox"/> Seed <input type="checkbox"/> Pound <input type="checkbox"/> Clone or Seedling

**SECTION 2: GROWING SEASON INFORMATION**

Germination Percent	Emergence Date	Uniformity of Emergence
Final Plant Emergence Stand Count (number per square footage)		Flowering Date
Weed Species Present		
Weed Density (number per square footage)		
Total Growing Season Precipitation		
Other Information (document dates of drought, major storms, hail, and wind events)		

Fertilizers or Pesticides Used on Field	Date	Rate

Did you have any other inputs (irrigation, etc.)?  
 No  Yes, explain:

Did you use any other methods of weed prevention or control?  
 No  Yes, describe:

**SECTION 3: HARVEST INFORMATION**

Date of Harvest	Estimate Average Plant Height at Maturity
-----------------	---

If you harvested **seed**:

Total Harvested Seed Weight	Average Pounds/Acre Yield for Seed	Seed Moisture at Harvest Percentage
-----------------------------	------------------------------------	-------------------------------------

If you harvested **fiber**:

Total Harvested Fiber Weight	Average Pounds/Acre Yield for Fiber
------------------------------	-------------------------------------

If you harvested **cannabinoid**:

Cannabinoid Targeted (CBD, CBG, etc.)	Cannabinoid Percentage
---------------------------------------	------------------------

Total Harvested Plants	Average Pounds/Plant Yield for Flower
------------------------	---------------------------------------

Harvest Equipment Used
------------------------

Harvest Comments (problems encountered, ease, etc.)
---

Drying, Storage, and Handling Procedures
--

If you **sold any harvested material**:

Specify Whom Sold To	Amount Sold	Price per Unit
----------------------	-------------	----------------

If you <b>destroyed</b> any harvested material, describe below:
---

Explain what is done with the unharvested material (leaf, floral, stalk residues)
---

Total Amount Spent to Grow Hemp Crop this Year (include NDDA fees, cost of seed, equipment costs, inputs, etc.)
---

Will you participate in NDDA's Hemp Program next year? <input type="checkbox"/> No <input type="checkbox"/> Yes
---

**SECTION 8: FINAL COMMENTS**

Explain any other issues, concerns, or successes that you experienced growing hemp. Did the process go as you had expected? What was your biggest challenge?
--
