

North Dakota Crop Protection Product Harmonization and Registration Board

Pesticide Harmonization Grant Program

The North Dakota Crop Protection Product Harmonization and Registration Board administers a grant program through which an agriculture commodity group may apply for funds to be used by the group to address issues related to the registration of crop protection products. Special emphasis will be given to applications that seek funds to address harmonization or pesticide labeling and availability of Canadian pesticides that are identical or substantially similar to more expensive United States-registered pesticides.

Procedure for submitting Pesticide Harmonization grant requests

Applicants may submit proposals at any time. Reviews and grant awards will be made at the call of the Board chairman.

Applicants are required to include the following in their proposals:

1. A request for a specific funding amount;
2. A specific explanation of the exact purposes for which the grant will be used;
3. A detailed timetable for the use of the grant funds; and
4. Any additional information the Board determines appropriate for potential grant recipients.

Submit Pesticide Harmonization Grant Proposals to:
